Logan must venture out into the blizzard to rescue his brother Drew in this fifth book in the Tales from Maple Ridge series. While Pa is away working in Sherman, Logan's older brother Drew is determined to be the man of the house. As winter sets in, Drew decides to go out into the forest to chop some firewood.

Soon after, a blizzard descends on Maple Ridge and Logan's mother gets worried when her oldest son doesn't return. Will Logan be able to navigate the storm, find his brother, and save the day? With easy-to-read language and illustrations on almost every page, the Tales from Maple Ridge chapter books are perfect for beginning readers.
