Sex and the City meets Lost in Translation. The Skimm

Janice Y. K. Lee's New York Times bestselling debut, *The Piano Teacher*, was called immensely satisfying by *People*, intensely readable by *O, The Oprah Magazine*, and a rare and exquisite story by Elizabeth Gilbert. Now, in her long-awaited new novel, Lee explores with devastating poignancy the emotions, identities, and relationships of three very different American women living in the same small expat community in Hong Kong.

Mercy, a young Korean American and recent Columbia graduate, is adrift, undone by a terrible incident in her recent past. Hilary, a wealthy housewife, is haunted by her struggle to have a child, something she believes could save her foundering marriage. Meanwhile, Margaret, once a happily married mother of three, questions her maternal identity in the wake of a shattering loss. As each woman struggles with her own demons, their lives collide in ways that have irreversible consequences for them all. Atmospheric, moving, and utterly compelling, *The Expatriates* confirms Lee as an exceptional talent and one of our keenest observers of women's inner lives.
