If you ever want to start a fight in the staffroom then bring up the question of the use of music in the classroom. If you want to settle that perennial dispute then this is the book to do it with. Nina's groundbreaking research has proven how music can be of direct benefit for learning and motivation in classrooms across the school and this book, simply and effectively, tells you what music to use, when and why.

So, put away your whale song CD and your 'James Last box set' and explore how music really can transform your classroom.
