A lift-the-flap science book bursting with eye-popping facts and information about seeing, hearing, smell, taste, touch and balance. Join a group of children on their journey through the Sensational Theme Park to uncover the incredible ways we make sense of the world around us. Science is both fun and accessible in this interactive book by Dr Patricia Macnair. Flip the 50+ flaps to reveal simple diagrams, surprising facts and clear explanations about how we make sense of the world. It is ideal for kids aged 5+. For more lift-the-flap adventures collect In One End and Out the Other (Winner of the Silver Primary Teacher Update Award 2014), Maths Adventure and Halloween.

Richard Platt is an award-winning author who has been published in over 30 countries. He has been shortlisted for the Royal Society Young People's Book Prize three times. Richard Watson is a fantastic illustrator of children's books with publishers including Templar, Usborne, Scholastic, OUP, Ladybird and Pearson Education.
