This book on hull insurance for ocean going ships is mainly based on the Nordic Marine Insurance Plan of 2013, Version 2016.

In addition, some comments on the legislation and contractual regulations in UK are included. All main issues concerning hull insurance are discussed. The book will be of interest to insurance companies, ship owners, average adjusters and lawyers working with marine insurance questions. It may also be of interest to students and academics within the field of insurance law.
