Policing Transnational Protest offers an original perspective on the history of police surveillance of anticolonial activists in France, Britain, and Germany in the first half of the twentieth century. Tracing the undertakings of anticolonial activists from Asia, Africa, and the Middle East in Europe and reconstructing the reaction of European governments, it illuminates the increasing cooperation of the police and secret services to monitor the activities of the " and curb their room to maneuver. But those efforts had an unintended inflammatory effect, provoking both supporters and opponents of colonial rule to understand the conflict in increasingly global and trans-imperial terms.

The surveillance also exacerbated tensions between Europeans friendly to the anticolonial cause, and those who prioritized imperial security over civil liberties and national sovereignty. Tracking growing levels of transnational government cooperation against anti-colonialists, this bo
