The Live Beat Students' Book contains 10 units that build and consolidate students' knowledge of grammar, vocabulary, functional language and systematic development of the four language skills: listening, speaking, reading and writing. Language Revision helps students monitor their own progress through self-assessment while Skills Revision gives students practice question types from the Trinity, KET and PET exams.

MyEnglishLab is an online platform that helps students to practise their English outside class and for teachers to continue to interact with them. Live Beat MyEnglishLab for students provides: * An interactive version of the entire Workbook. * Extra skills practice. * Video blogs with follow-up activities to consolidate learning. * Additional Five Days drama video activities for more exposure to the authentic use of English. *

Pronunciation activities with record and playback. * Useful tips for activities and instant feedback to tests to explain why an answer is right or wrong.

Den ubestemte artikkelen er a foran konsonantlyder, an foran vokallyder: a book, a computer, a year, an egg, an hour, an honest man.
