A Guardian Best Graphic Book of 2015 Iris (or balletgirl-42 as she's known on the internet dating circuit) is a zookeeper looking for love when she is diagnosed with breast cancer. Overnight, her life becomes populated with a carnival of daunting hospital characters. Despite the attempts of her friends - Maud, Granma Suggs, Larry the Monkey and a group of singing penguins - to comfort her, Iris's fears begin to encircle her until all she has to cling to is the attention of a lighthouse keeper called sailor\_buoy\_39. The Inflatable Woman combines magic realism with the grit of everyday life to create a poignant and surreal journey inside the human psyche.
