The Global Beauty Industry is an interdisciplinary text that uses beauty to explore topics of gender, race, class, colorism, nation, bodies, multiculturalism, transnationalism, and intersectionality.

Integrating materials from a wide range of cultural and geo-political contexts, it coalesces with initiatives to produce more internationally relevant curricula in fields such as sociology, as well as cultural, women's/gender, media, and globalization studies.

"1984" (G. Orwell) Grundig analyse av "1984" på engelsk. Inkluderer biografi av forfatteren George Orwell. Analyse/tolkning A Global Language - English The British Empire - How did English become a world language? - Origin of the global language.

Muntlig eksamensoppgave i 2012.
